RAYNER ESSEX VAT SERVICE (REVS)

CHALLENGES

It has been a tough couple of years for businesses, with Brexit, Lockdown and Making Tax Digital – the ability to remain compliant and adapt has never been more difficult

COMPLEX TAX

VAT can be a complicated tax and easy to get wrong, HMRC knows businesses often struggle with VAT/ Customs and this provides HMRC opportunity for compliance visits and potential penalties

PRIORITIES

VAT may not have previously been a major focus for a business but with so much change and more to come, VAT should move up the list of potential business risks

COMPLIANCE

Knowing your business is up-to-date and compliant with the latest in Brexit, MTD and VAT should be a focus for 2022 and beyond.

REVS

The Rayner Essex VAT Service (REVS) is a service that offers businesses an annual health check, access to a dedicated VAT helpline for ad hoc advice and the assurance of having a VAT expert on hand who can guide you through Brexit, MTD and all things related to VAT

GLOBAL NETWORK

As we are part of a global network of professionals (INPACT), we can also assist you with overseas VAT registrations/VAT strategy as a result of Brexit or the ever-changing business landscape.

HOW WE CAN HELP

Our expertise can help you understand and achieve/maintain your VAT compliance obligations We can advise on property VAT and SDLT matters We can help with import & export, custom duties, duty deferment and postponed VAT, commodity codes, Incoterms, Making Tax Digital and VAT schemes like Flat Rate/Payment on Account We can also help you with VAT inspections or Alternative Dispute Resolution (ADR)
